Money Back Catarrh Remedy.

* Dosing the stomach won't kill Catarrh germs. Neither will sprays, douches snuffs or ointments.

The quickest way to kill germs is to breathe deep into the lungs the vaporized air of Booth's HYOMEI.

As this antiseptic air passes over the sore infested with catarrh germs it not only destroys them, but heals the inflamed membranes and stops the discharge of mucus.

Then hawking, spitting, snuffing, crisis in nose and foul breath will disappear, and vile, disgusting Catarrh will be conquered.

A complete HYOMEI outfit, which includes a hard rubber inhaler, only costs \$1. Extra bottles, if afterwards needed, 50 cents and G. L. Penny is authorized to refund your money if dissatisfied.

Advertisements Are Good Reading

This week a man called at the Herald office and stopped his paper because it had too much advertising in it, though he liked the paper in every other way. Perhaps he didn't stop to think that there is no reading matter on earth so valuable to the man who must make every penny count as advertisements wherein he is shown bargains that give a double duty power to each dollar he spends. He should remember that no man pays good money for a liberal amount of advertising space unless he knows that the inducements he offers therein to the public are such that the public will take hold of them, to the mutual advantage of both buyer and seller. It's a plain, practical commonsense proposition, and the man who doesn't realize that he can save many times the price of his paper by studying the advertisements and taking advantage of the best bargains offered, is the man whose business bump is yet undeveloped.—Harrisburg Herald.

My back had about given out and pained me severely at times. I was weak and lame and I knew that my kidneys were disordered as the secretions were unnatural. I learned of Doan's Kidney Pills and procured a supply at Shugars & Tanner's Drug Store. This remedy entirely relieved me and restored my kidneys to a normal condition."

WOOLTEX

GARMENTS AT THIS STORE

WOOLTEX is the Best Known Line of Women's Wear in America

WHILE this is a very important thing from a merchandising point of view, it was not enough alone to make us take on the line. We wanted to know positively that we could truly endorse all the claims of superiority made by the WOOLTEX people regarding their garments.

So, when they offered us the exclusive sale of WOOLTEX for the five counties of Lincoln, Garrard, Mercer, Casey and Boyle, and invited us to visit their factory in Cleveland and examine every detail of their making and verify their claims, we decided to go and see for ourselves.

We found their factory an immense plant, surrounded by grass plots, insuring plenty of light and air from all four sides. Inside every part was delightfully clean and light and airy.

The men and women working there were unusually intelligent appearing and contented.

We carefully went into every detail of the manufacture from the time the cloth is received and chemically tested to be sure it is all wool, until the finished garment had been hand-pressed ready for shipment, and we will positively assert that it is not possible to make a better garment than WOOLTEX.

WOOLTEX styles come direct from the WOOLTEX Fashion Bureau of Paris. It costs the makers \$50,000 a year to maintain the style supremacy of WOOLTEX—but the money is well invested, as every WOOLTEX wearer will admit.

WOOLTEX fabrics are pure wool, not a thread of cotton in them. Chosen with the greatest care for superiority of texture, finish and pattern and for exclusive "custom made" effects.

WOOLTEX guarantee is the most liberal known to the trade. Protects you against possible weakness. WOOLTEX garments must give two seasons' satisfactory wear. This guarantee extends even to the lining.

WOOLTEX Tailored Suits \$22.50 to \$45

WOOLTEX Coats . . . \$10.00 to \$40

Our stock of WOOLTEX Suits for Fall and Winter is now on sale and we will appreciate a visit of inspection from you.

STYLE BOOKS--We will in the next week send out to all our trade a very handsome "Style Book" showing a number of the newest ideas in WOOLTEX Suits and Coats. If you do not receive one, we will thank you to write us a postal, and we will send one and replace the postal.
